STATEMENT REGARDING UNINTENTIONAL DELAY

MS Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This statement is made to certify that Applicants' delay in paying the issue fees due on January 19, 2010 was unintentional. There was a miscommunication between the Korean patent firm (foreign associate) and Hoffmann & Baron LLP regarding making payment of the issue fees. As a result, the delay in paying the issue fees was caused by an unintentional human error.

Dated: November 16, 2010

Respectfully submitted,

By: /Thomas Chan/
